## ELECTION 2016 - WHAT'S AT STAKE!

The first National Executive Board Meeting of 2016 will be held April 7 - 10th at the Tommy Douglas Conference Center. This meeting is being held in conjunction with a 1 day **CLUW Educational Conference** designed to educate, prepare and mobilize women unionists and their supporters about the election.

We are strategically planning our actions for 2016 and the ongoing work that CLUW does. We will be addressing how to put the resolutions recently adopted at the CLUW Convention into action and have set aside time for two different strategic planning sessions. **You will be expected to participate in both sessions.**

Our theme is: **ELECTION 2016 – WHAT'S AT STAKE!** Come get CLUW'd in, because CLUW knows what's at stake! We hope you will make arrangements to be part of this important occasion.

In addition, we are very pleased to be hosting **CLUW's Biennial Working Women's Award Celebration and Reception** on the evening of April 7th to recognize women who have been staunch supporters of equal rights and equal pay. Please join us in honoring them. Details on the Award recipients and celebration will be available soon.
